The famous two-headed calf

Fun Calf Facts:

- **The calf was born April 1930 at the Gardella Ranch, Wadsworth, NV.**
- **The calf had two hearts, two stomachs, two sets of lungs, etc...**
- **The mother cow gave birth to two sets of normal calf twins the next year.**
- **The museum has had the two-headed calf since November 16, 1944.**

- **In honor of the Society's 100th birthday, the calves were named six-legged Dan and two-hea**

Pony Express Kids

The Pony express was created in 1860 and only ran for 18 months. Interesting items for kids include the puzzle , map of the orginial route from St. Louis, MO to San Francisco, CA, and a wanted riders poster .
